GPs will decide what healthcare is available at the surgery and in hospitals as they will control the budget				
Fewer managers will be employed in the NHS as all PCTs will cease to exist from 2012				
Patients will have more choice				
The number of national NHS targets will be reduced				
Public health will be led by the borough council instead of the NHS				
A local HealthWatch will be set up to represent the public, to support them in making choices and to help them deal with any concerns				

- I will visit the roadshow on 16 September at ASDA, Donnington, Telford YES / NO
- I will visit the roadshow on 23 September at the library in Southwater Square YES / NO
- I will visit the roadshow on 30 September in the shopping centre YES / NO
- I will come to the public meeting on 7 October at 7pm YES / NO
